*. . . we often look but do

Fall and Winter quarters were characterized by unceasing rain. The campus became a monstrous puddle as students sloshed their way to classes. Sickness too, was prevalent as the infirmary filled up and class attendance was at an all time low.

The rainy weather may be symbolic of the year overall. A cloud hung over the nation as we mourned the death of many of our favorite entertainers — Elvis, Bing Crosby, Charlie Chaplin, Joan Crawford and others. The debate over the Panama Canal treaty caused many storms in Congress, trouble in the Mid-East brewed continuously, and the energy crisis was still unsolved.

Yet through the rain, the spirit at Troy was not dampened. Pep rallies continued with enthusiasm, Trojan football ended with a good record, and with the coming of Spring the dorm beaches opened, the dogwoods bloomed, the tennis courts filled, and spring fever hit with full force.

## Eating . . . A Favorite Pastime

A majority of TSU student's time is spent in the cafeteria and other eating establishments. Over the past years the 231 by-pass has become a diner's delight. Quick food places have sprung up overnight. For those who prefer atmosphere, a new steakhouse and a schoolhouse restaurant have opened. Still, despite the establishment of the many chain restaurants, the cafeteria does a thriving business.

# MARRIED STUDENT LIVING

As soon as Friday rolls around, the Troy State University campus looks like a ghost town.

Students leave Troy for various reasons — boyfriends and girlfriends out of town, Mom's home cooking, or just a chance to get away.

Troy is often referred to as a suitcase college. But it does not have to be that way. If one looks he can find much in Troy to keep him occupied during the weekend.

# TROY STATE FOOTBALL

TROY STATE 19, SOUTHERN MISSISSIPPI 42 — As one of the state's newspapers said, "It was more mistakes than a mis-match between NCAA Division II Troy State and Division I Southern Mississippi." The Trojans fumbled nine times during the game and an opportunistic Southern Miss turned five of the mistakes into scores. Southern Miss led 14-0 before TSU could score. Brazell hooked up with Billy Dixon on a TD pass of 12 and another TD pass of 80 yards in the first half. Trojan tailback Tony Davezan scored on a 35 yard run to make it 21-19 at halftime. In the second half, TSU's mistakes continued and Southern Miss scored twice in the third quarter and again in the fourth.

TROY STATE 28, UNIVERSITY OF NEVADA LAS VEGAS 35 — A second-half rally by the Trojans fell short as TSU lost its second game of the season. Nevada Las Vegas, one of the nation's premier passing teams, went ahead 21-7 at the half but the Trojans got 13 third quarter points off a 61 yard pass from Brazell to Billy Dixon and a 4 yard run by Ron Daniels. Daniels scored again in the final period. Time ran out as TSU had penetrated into UNLV's territory.

TROY STATE 23, NICHOLLS STATE UNIVERSITY 6 — The Trojans put 21 points on the board in the fourth quarter for their first win of the season in the important conference opener. Ron Daniels and Sullivan Walker scored on runs 1 and 3 yards and Jerome Crowe returned an interception pass 83 yards for the Trojans' other TD. It was the first of six straight Gulf South Conference wins for the defending champion Trojans.

TROY STATE 10, LIVINGSTON UNIVERSITY 0 — The Trojan defense, nicknamed the "Grim Reaper", recorded its first shut-out of the year and held Livingston to a mere 75 yards total offense. Livingston never managed a serious scoring threat the entire game.

**TROY STATE 17, SOUTHEASTERN LOUISIANA UNIVERSITY 7** — Even though two points separated the two teams, the game wasn't that close. Visiting Southeastern Louisiana scored in the final 43 seconds to close the gap. The Trojans ended a 7-7 third quarter tie with 10 fourth quarter points. Sullivan Walker scored on a one yard run, Randy Yancey kicked a 21 yard field goal and Phillip Brazell got another touchdown on a three yard carry.

**TROY STATE 10, DELTA STATE UNIVERSITY 7** — Randy Yancey kicked a 22 yard field goal in the final 47 seconds to award the Trojans their fourth straight win. Phillip Brazell tossed a 73 yard TD pass to Charlie Smoke in the first period and Delta State managed to tie the game in the final seconds of the third quarter. The Trojan defense kept Delta State out of the endzone on two late drives and came up with a Bubba Williams fumble recovery in the final seconds to preserve the victory.

**TROY STATE 34, UNIVERSITY OF NORTH ALABAMA 27** — The Trojans caught the attention of the national voters as they toppled previously nationally ranked North Alabama at homecoming. UNA scored first but the Trojans exploded with 20 second quarter points and from that point on, never trailed. Ron Daniels scored on a 19 yard run, Sullivan Walker scored from five and eight yards out and Phillip Brazell threw touchdown passes of nine and seven yards to Billy Dixon. The Trojan offense churned out 479 total yards in the game.

**TROY STATE 49, UNIVERSITY OF NORTHERN MICHIGAN 28** — It was easily one of the greatest upsets of the year in Division II football, but TSU followers would rather think of it as just an excellent performance. The Trojans had the second ranked Wildcats down 42-7 at halftime. Sullivan Walker rushed for 198 yards and scored on runs of 61, 31, 9, and 1 yards. Phillip Brazell threw a 43 yard scoring pass to Billy Dixon. Brazell also rushed for a pair of touchdowns. More important was the fact that the game counted as a designated conference game for TSU. More than 11,000 shocked Northern Michigan fans watched the slaughter.

TROY STATE 15, MISSISSIPPI COLLEGE 17 — The victory over Northern Michigan moved the Trojans into the NCAA Division II ranking as the number 10 team. But playing its finest game of the year, Mississippi College dampened the Trojans' hope for a second straight GSC title. Ron Daniels and Sullivan Walker scored TSU's TDs on runs of five and 16 yards. Daniels' run put TSU on top in the first period but MC battled back to a 14-7 halftime lead. The Choctaw offense rolled up 247 yards rushing and another 89 passing. It was homecoming in Clinton, Miss. and a happy one! TSU's offense sputtered with two interceptions and three lost fumbles.

TROY STATE 9, JACKSONVILLE STATE UNIVERSITY 17 — Jacksonville State ended what could have been another championship year for TSU. After a 3-3 first half, the Gamecocks scored a touchdown in each of the final two periods and went on to win the conference title and advance to the final game of the NCAA championship. Randy Yancey kicked a 46 yard field goal in the first quarter and the Trojans' only touchdown came on a 21 yard pass from Phillip Brazell to Sullivan Walker in the final period. Jacksonville State's offense racked up 390 total yards to Troy State's 208.

# TSU BASKETBALL '78

Troy State Basketball concluded a disappointing season at Sartain Hall February 27, 1978, against the University of North Alabama. The Trojans' final season record was an upsetting 1-23 with a GSC record of 1-13. Marvin Sales, Murphy Brown, Bryan Cruse, Terry Baker, and Jim Means were the Trojan standouts during the season. Marvin Sales, capturing four statistical titles, was chosen as one of the members on the first team All GSC basketball roster this season. In addition to leading the Trojans in scoring, field goal percentage shooting, and rebounding the 6'4" forward also led the team in steals. Sales averaged 17.7 points and 12.1 rebounds per game this season. He hit a record .595 percent of his field goal percentage. Four years ago, Sales set a TSU field goal percentage record at .594. During one stretch this season, Sales owned a .670 field goal percentage which ranked him second in the NCAA.

Freshman guard Bryan Cruse of Florence finished second in scoring with a 12.4 average and senior forward Murphy Brown of Decatur was third with 12.3. Junior guard Paul Bussman of Culman shared the free throw shooting title with Brown with a .712 percentage. Bussman finished the year with a 9.8 scoring average and was accredited with 60 assists.

Sales' quest for the university's career scoring title fell short by 43 points. However, he set a career rebounding record at 1,318.

The thrill of winning its fourth consecutive Gulf South Conference championship hasn't worn off the Trojan cross country team. The team is planning for the NCAA Division II championship, in which the Trojans placed ninth in the NCAA meet. It was the highest finish in the Trojans history. The meet was hosted by the Univ. of Illinois-Chicago Circle involving 60 other teams. Troy State also muscled its way to its fifth GSC championship in seven years defeating Jacksonville State at Jacksonville. Joining Ed Palmer will be junior Tom Larkin and senior Andy Whitener both from Tampa, Fla. Troy State has sent a team to the NCAA national meet for the last four years to decide the National Champions. Trojans Ed Palmer, Tom Larkin and Andy Whitener were chosen as All GSC for the Troy State University cross country team.

## 1977-78 NCAA CHAMPIONS

It is rare that a college golf team ever wins two national championships in a row. Troy State has the distinction of being National Champions two consecutive years and fell short of a third by only nine strokes at the Lone Palm Country Club in Lakeland, Florida. The Trojans led the championship the first three rounds of play and after the fourth and final round found themselves runners up to Columbus College.

Troy State's second, or Silver team, went to the NAIA Championship at Elgin Lakes Country Club in Huntsville, Texas.

Cleve Coldwater, Bernie Starchuck and Lou Matrone were selected as all Gulf South Conference, while Billy Myers won the Individual Championship at the NAIA District 27 meet in Birmingham, Alabama.

Randy Hedgecock was honored by being named to the First Team All-American for the 1978 year. Cleve Coldwater was selected as Second Team All-American, while Karl Narro, Bernie Starchuck and Lou Matrone made Honorable mention.

## NCAA POST-SEASON PLAY — 2nd Year in a Row

The 1978 baseball team made a name for itself in the University record books. Finishing with the best season record in Troy State history, the Trojans competed in the NCAA Division II South Central Region Tournament for the second consecutive year. And unlike 1977, the 1978 team was not eliminated with two straight losses in post-season play.

The Trojans broke or tied 82 records enroute to a 33-18 finish. They won the University of Montevallo Spring Classic, finished second in the Gulf South Conference Eastern Division race and moved to within a game of advancing to the NCAA World Series.

Delta State University, the team which eventually finished second in the nation, eliminated the Trojans from a World Series bid in the seventh and deciding game of the NCAA regional tournament.

The season ended as it began, with a loss. The Trojans lost their opener to Huntingdon College by one run. Then TSU went on a winning streak and won 18 of its next 21 games.

In its conference debut, TSU swept a doubleheader from Jacksonville State University. It was the first time in more than a decade that the Trojans had accomplished that feat.

At the end of the conference season, TSU had an 8-5 record, second best on the eastern side to Livingston University. The Trojans bowed out of the conference playoffs with two straight losses. But the following week, TSU fought its way through the NCAA regional tournament, winning three games after opening up with a loss.

The Trojans broke almost all batting records in '78. Second baseman Kenny Gilmore was the leading character in the attack. He hit above .400 during the regular season and finished the year with a .374 average. He collected a record 67 hits during the year including 15 doubles and 13 home runs — both records.

Gilmore was one of the four Trojans named to the All-GSC team. Others were catcher Buster Bergstrom, pitcher Rick Harrison and third baseman Randy Rand.

Rand was second to Gilmore with a .349 average. Bergstrom followed at .348. The team hit .320 with 50 home runs, both records.

At Pace Field, the Trojans won 17 of 20 games. On the road, TSU had a 16-15 mark. TSU swept 11 doubleheaders, dropped two and split four others. Six games went into extra innings and the Trojans won four of those.

Most of the batting records were broken at mid-season. Seven regulars in the line-up hit above .300 for the season. Six pitchers finished the year with winning records, a first for any Trojan squad. Freshman Chip Tolbert led all pitchers with an 8-2 mark. Harrison was next at 8-4.

# TSU WOMEN'S TENNIS

The Women's Tennis Team placed 3rd in the state of Alabama this season with a fine showing by players Nancy Dansby, Joan Johnson, Sue Strickland, Ellen Thomas, Donna Elder and Marsha Davis. Troy State played well against Samford University in Birmingham and Spring Hill College in Mobile. This is the second year of Women's sports at Troy and they have done well in all areas of competition.

# Adams Center Union Board

From left — Joel Williams, Bill Marrs, Terri Reeves, Donna Salyers, David Williams, and John Stark.

The range and quality of activities provided by the Adams Center Union Board this year has been outstanding. The entertainment provided for the students included a hilarious evening with **The Amazing Kreskin**, a close encounter with James Doohan of Star Trek fame during **Star Trekking With Scotty**, and a Las Vegas night club experience at Captain's Casino. ACUB also provided, with help from a grant from the Southern Federation of States Arts Agencies, **The National Marionette Theatre** and **The Piedmont Brass Quintet**. Both of these activities included workshops and performances. This year's schedule of movies brought such current favorites as "A Star is Born," "Silver Streak," "Carwash," and many others.

Concert-going students were well supplied by ACUB throughout the year also. Winter quarter the Board provided **The Atlanta Rhythm Section**, and **Sea Level** in concert to the obvious pleasure of the audience. Spring quarter, the Board presented the Elephant Festival, an outdoor carnival with three bands, providing constant music for four and a half hours. Toward the end of the quarter other outdoor concerts were provided. Of course the concert which is most well remembered is the sparkling evening with Dolly Parton and Andrew Gold.

In retrospect, 1977-78 was a great year for entertainment by the Union Board, for the students of Troy State University.

The Student Government has always had the potential to be the most influential organization at T.S.U. There are, contrary to popular belief, many very capable and dedicated students who are willing to put a great deal of blood, sweat, and tears into serving student interests. Unfortunately, few can survive the internal political games, administrative red tape, and general disinterest that has been the curse of this as well as past administrations for very long.

Still, those of us that dared to dream and had the perseverance saw many ideas become realities. The Student Buying Power Card has saved us a little money; dormitory and general campus security has improved; the long awaited Wright Sauna facility will soon be a reality and Alumni Hall's Used Textbook Exchange gave us an alternative to high book prices. 1977-78 also saw TSU students expressing their opinions on national issues and state elections and the Adams Center Union Board take over Entertainment. Academically class absences and responsibilities were approached and a Faculty representative contributed ideas from that group whose representation we had so sorely lacked. Admittedly we leave much still to be done, but I believe Keith and Clara and your other officers-elect for 1978-79 have the stuff to carry on.

The SGA Presidency is a difficult job under any circumstances but without the help and dedicated support of others I would have found it impossible. If I mentioned everyone to whom I owe a debt of gratitude it would require more pages than I care to think, but I must mention some very special people that made the year a success. First of all the lovely lady, Jana Jones, who kept me pointed in the right direction, Clara "always on top of things" Fryer, Gary E. (for energetic) Byrd and Judy Campbell; Outstanding senators Don Drinkard, Tommy Bryan, Lamar Higgins, and John Stark and my friends who always gave me a swift kick when I needed it. Last but not least, thanks to our Faculty Representative, Bunny Grant, and also to Mr. Marvin Vickers and Merle Jernigan, the two people with which I fought the most but couldn't have done without . . . and to the student body of Troy State University it's been real!

# *Phi Eta Sigma*

## *National Freshman Scholastic Honorary*

Phi Eta Sigma is a national honor society designed to recognize young men and women who have been particularly outstanding during their freshman year of collegiate life. Only those individuals who have clearly demonstrated outstanding scholastic and leadership abilities are recognized and initiated into Phi Eta Sigma.

Phi Eta Sigma was established at Troy State in May of 1974. Many of the University faculty and staff members and student leaders have been tapped for membership since the chapter's inception.

# Omicron Delta Kappa

## National Leadership Society

Omicron Delta Kappa, National Leadership Honor Society, was founded December 3, 1914 at Washington and Lee University, Lexington, Virginia.

The Society was established to recognize outstanding leaders, and to bring together exceptional students, faculty, and administrators on a basis of mutual interest, understanding, and helpfulness. By definition: Society membership is highly selective, and only the most outstanding individuals are tapped. ODK members must possess leadership abilities in several areas of campus life. The Society places emphasis upon the whole person, both as a member of the college community and as a prospective contributor to a better society.

The Troy State Circle was founded in 1973. The Circle members are active in their individual activities, and collectively the Society sponsors a number of campus and community service projects.

Miss Troy State University 1978

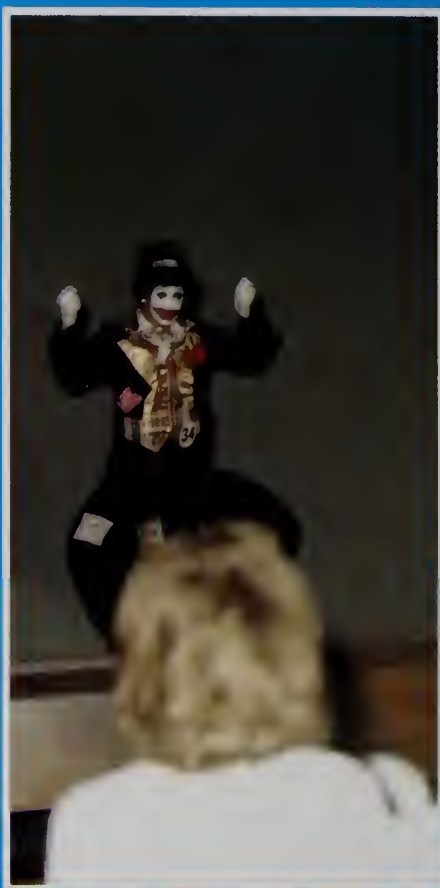

The planning and actual work for the Miss TSU Pageant, a preliminary to the Miss America Pageant, begins months in advance of Saturday night's competition. Mrs. Jacqueline C. Smith, Pageant Director for four consecutive years, begins her work far ahead of time, contacting judges, scheduling the events, etc. On Sunday the contestants are given a formal tea hosted by Mrs. Ralph Adams and are presented a schedule and rules of the contest. Practice begins on Monday as the girls rehearse the production number, their talent, and walking on the ramp. Preliminary judging starts on Friday with the Swimsuit Competition and continues with the talent judging and personal interviews. A new facet of the program was added this year with an informal tea being held so the judges could meet the 42 contestants before the competition. The Miss TSU Pageant is sponsored annually each year by the **Palladium** staff.

Miss TSU talent competition has been opened to the public for two years now. Students and faculty have shown enthusiasm for this event by the packed audiences in Smith Hall during talent night.

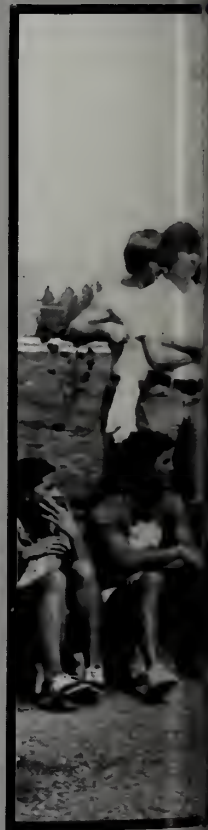

1978 saw forty-two hopefuls perform a variety of talent. The acts included acrobatics, twirling, singing, monologues and instrumentals.

Mrs. Jacqueline Smith, pageant chairman, said a contestant's talent presentation is the most important area of the judging. "The judges will be looking for an ability to perform in front of an audience," she said.

"A contestant can earn up to five points in the swimsuit judging, private interviews, and evening gown judging respectively, but up to fifteen points can be earned on talent night," she said emphasizing the importance of the event.

In the fall of each year, a period of scheduled parties and activities is planned for the sorority members and those girls interested in becoming members. This week is appropriately named "Rush." This is the process by which rushees get to know the sororities and the sororities get to know the girls who are to become their sisters.

This year rush began on Sept. 4. Approximately 230 vivacious young women were seeking a sorority to make their home with for the next four years. Each of the girls are bright and enthusiastic, and this year was no exception.

The first parties for the rushees were the ice water teas. These short informal teas gave the girls a chance to briefly see each sorority.

The coke parties were held on Sept. 5. They were a little longer and each girl was given a chance to seek the answers to questions about the sorority or sorority life.

The theme parties were creative and pure delightful entertainment. They were held on Sept. 6. Each sorority chose their own themes. Alpha Delta Pi chose the "Showboat," Alpha Gamma Delta presented "Musicman," Chi Omega went with "Oliver," Kappa Delta selected "The Wizard of Oz," and Phi Mu celebrated the USS Project Hope.

September 7 was the big night as preferential parties placed deep emotions and inspirational revelations on the young women. At the end of these parties, the girls were asked to sign their preference cards . . . and for many this was no easy task!

Bids were issued to the girls the next day and they celebrated their elated feelings with their new sorority sisters!

Master of Ceremonies, James Wilhoit, presents the Chorus Line trophy to the Phi Mu sorority.

Kim Trawick, representing the Alpha Gamma Delta sorority, reigns as "Derby Darling."

The third annual Sigma Chi Derby Week took place February 28, 29, March 1, and 2nd. This year Derby Week moved to winter quarter, where, along with cold weather, rain prevailed. This, however, did not dampen the sorority and fraternity spirit and enthusiasm during the week.

Colorful parties, a beauty pageant, paint brushes, and ladies' olympics highlighted the week. The Troy downtown square was brightened by the sororities' artistic ability as the Phi Mu's won the "Paint the Town" contest. Kappa Deltas won the "Driveway Paint" contest for the second year in a row.

## Sigma Chi Derby Week

Miss Kim Trawick won the title of "Derby Darling" this year. Kim is a member of the Alpha Gamma Delta sorority.

The sorority "Chorus Line" competition was held in Smith Hall auditorium. The Phi Mu sorority won this event for the second consecutive year.

Derby Day events, which consisted of "Dress a Pledge," egg toss, tricycle race, penny in the flour, three-legged race, banana eating contest, dizzy bat race, water balloon hop, and the wipe up. Once again, the Phi Mu's took the trophy.

Donations, which counted 65% of the competition of Derby Week, were won by the Phi Mu's who had close to \$1,000.

Spirit of the week was best exhibited by the Chi Omega's who were awarded the Spirit Trophy on Thursday night.

The week drew to a close as the annual Derby Dance was held at the National Guard Armory.

The overall winners of the Derby Week were the Phi Mu's.

# Mr. and Mrs. Greek

Mr. and Mrs. Greek 1978 receive awards from John Stark, IFC President.

Mrs. Greek 1978, Mrs. Carolyn Gibson

For the first time at Troy State, a husband and wife were selected the same year as Mr. and Mrs. Greek. They were chosen on the basis of their outstanding contributions to the Greek system at TSU.

This year's Mr. and Mrs. Greek are Mr. and Mrs. Donald J. Gibson. Mrs. Carolyn Gibson is Director of Placement Services at TSU and Mr. Gibson is Vice President of Student Affairs at TSU.

Mr. Gibson was nominated by the Sigma Chi fraternity and Mrs. Gibson was the Alpha Gamma Delta sorority nomination.

## Sorority President Kidnap

Sorority President Kidnap was held on May 24, 1978. Sorority presidents were "kidnapped" by the brothers of Lambda Chi Alpha and held for a ransom of canned goods.

The sorority collecting the most cans was the Chi Omegas. In all, the fraternity collected nearly 3,000 cans which were donated to the Troy Red Cross.

According to Jeff Annis, Vice President of the fraternity and in charge of the project, "This was the biggest collection of cans ever donated to the Red Cross in Troy."

This year, a new facet was added to the project. Mrs. Ralph Adams and Mrs. Charles Meeks, wife of Troy's mayor, were added to the kidnap list.

# Miss Venus 1978

## INGALLS AWARD

*Michael Blanchard*

Michael Blanchard, an instructor of English at Troy State University since 1974 was named the recipient of the 1977-1978 Ingalls Award for Excellence in Classroom Teaching. The award was presented by Troy State University President Dr. Ralph Adams during spring commencement exercises on June 9. "Mike is an outstanding teacher and we are very proud that he has been chosen for this most prestigious award," Dr. Adams said in announcing the choice of the Ingalls Award Selection Committee. The committee is made up of students representing six broad areas of academic interest.

The award, consisting of a check for \$1,000 and a citation plaque, is presented annually by the Ingalls Foundation of Birmingham.

A native of Baton Rouge, La., Blanchard earned his undergraduate degree in literature and creative writing from the University of Virginia. He holds a Master's degree in English from Indiana University. In 1972 he won the University Union Fine Arts Award while a student at Virginia. The following year he received the University's Corks and Curls Award for poetry. In 1976 and in 1977 he won special recognition awards from the Alabama State Poetry Society.

Blanchard's work has appeared in several publications and his essay "Jace Bolling: Walker Percy's Prodigious Wayfarer" was presented at Florida State University's Comparative Literature Circle conference earlier this year.

# *TSU DOTHAN/FT. RUCKER*

Troy State University Dothan/Ft. Rucker was the first of TSU's off Campus ventures. From a modest beginning in 1956 at Ft. Rucker the operation has grown to more than 2,000 students.

The Dothan campus, located in the heart of one of the fastest growing cities in the South, is projected to double in size within the next 7 years.

The average age of the student attending the Dothan/Ft. Rucker campus is 25. It serves not only the traditional daytime college student, but also the many who wish to work and continue their college education.

# TSUM

Spurred by the increasing educational needs of military communities, Troy State University in Montgomery has evolved from a resident center at Maxwell Air Force Base in Montgomery, Alabama, in 1965, to an arm of the system which responds to educational needs of military and adjacent civilian populations in the Southeast U.S. and abroad.

Launched in 1965 as a venture to bring the campus to the students and meet the goals prescribed by President, Dr. Ralph Adams, TSUM has achieved an enviable record in catering to specific needs of military populaces and neighboring blue-and-white-collar workers, policemen, teachers, housewives, and others whose vocations, avocations, and occupations necessitate academic pursuit.

TSUM offers programs leading to Bachelor's Degrees in Business Administration, History and Social Science, Computer Science, Psychology, Applied Science, Criminal Justice, Education, Mathematics, and English.

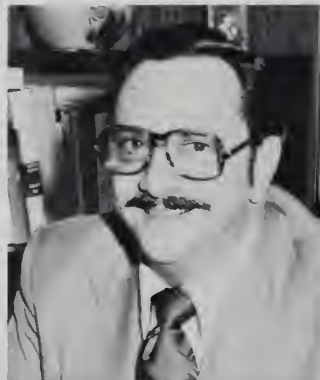

Master's Degrees are offered in Education, Counseling and Human Resources Development, Criminal Justice, Public Administration, Management, International Relations, Business Administration, and Personnel Management.

The undergraduate program was begun on March 22, 1976 at Oslo, Norway, with TSUE offering the Bachelor of Applied Science Degree with a major in Resources Management. From this beginning of two classes with 43 enrollments, the program has now grown so that TSUE is located at 25 mini-campuses in 7 countries; 2 in Italy, 2 in Turkey, 6 in England, 9 in West Germany, 1 in Holland, 1 in Norway and 3 in Spain. The BAS program has become quite viable with a bright future. Strong interest has been expressed from several bases and there are reliable indications that additional undergraduate programs of TSU would be welcome in the European Division.

To pay tribute to a year, to create a memory is a challenging experience. To capsuleize and condense the events, the spirit, and the essence of a University into a single book is a difficult and eye-opening task.

As 1978 Editor I would like to give my deepest thanks to Mrs. Jacqueline C. Smith, Advisor, without whose help neither I nor the book would have made it.

Special thanks to Gary Stogner and Griffin Lassiter for their invaluable help in providing copy. Thank you also to Ed Walter for the cover design and Steve Nesham at Lorri Studios for the Class and Greek photography.

No production of this size is ever error-free. To those people whose names are misspelled I sincerely apologize.

Thank you to the staff members, Susan, Peggy, Ann, James, Jamey, Brenda and Juanita and especially our photographer, Steve.

Congratulations to James Wilhoit 1979 Editor, Jamey Helms Associate Editor and Laura Ward, Assistant Editor. These people will need help this fall and I would like to say to those who would criticize and complain that membership on the Palladium staff is open to all students at all times.

I've learned a lot this year, I've enjoyed it and I'd do it all over again.

*Jennifer Harbuck*
